

# For the Obsessively Organized... Ohhhh, You Know Who You Are

## Great New Organization Products from Ward's Cabinetry...and shiny too!

You make sure all clothes are hung in the same direction on each hanger...and on the hanger rod. • Your cleaning supplies are sorted by polishing, degreasing, and abrasive...with all containers facing in the proper direction. • You label where your kitchen utensils are to be placed when not in use...and when in use. • Your oven mitts are color coordinated with your dish towels. • You are the elite of organization professionals...the quiet envy of organization amateurs and wannabees. • Ward's understands and is supportive of your craft. Your newest tools will be available from Ward's later in June 2008. • Geez, this is cool stuff.
