

Foundation Gets An Update

Ward's Introduces Great Changes For Its Foundation Product Line!

Based on requests from our customers, Ward's has developed some new features for Foundation to assist with providing more choices while controlling costs. Check out the changes:

NEW PRODUCT BULLETIN!!!

Drawer Boxes:

Choose from

- Particleboard or
- White metal sides

Standard Foundation Colors:

- Natural
- **Ginger (New light color stain!)**
- **Copper (New dark color stain!)**
- Pearl (paint)
- White (paint)
- Coffee glaze option on all colors (upcharge applies)

Finished Ends:

Foundation now has melamine colors that blend nicely with Copper, Ginger, Natural, Pearl and White. When ordering melamine finished ends on Foundation, there will not be an upcharge for finished ends in the standard Foundation colors.

- Finished ends in the Standard Foundation Colors will be matching melamine.
- Only exposed/show ends may be ordered as "finished ends." Make sure to indicate finished ends on the order. Non exposed/show ends will be supplied in a natural color.
- Veneer finished end option is still available at an upcharge.

Construction:

- Particle board cabinet box
- Natural color or White melamine interiors

Coming Later In June 2008

Thanks for choosing Ward's Cabinetry!

Product details can be found in our upcoming June, 2008 Specification Book Revision.
